

# MCD2100

## Chin/Dip Machine

### MCD2100 Chin/Dip Machine

Built to deliver strength—and deliver it does. Structurally and biomechanically designed for intensive club use, the Chin/Dip' rigid body structure plays a critical role in the machine's superb handling. Its large base frame aids stability and comfort, and yields a neutral weight distribution. Substantial rear and side subframes help eliminate lateral torsion and vibration.

### SPECIFICATIONS

- A. Mainframe: 11 Gauge 1.968" X 5.905" oval tubing (50 x 150 x 3mm)
