## Weight Tree Rack

### NTR2 Weight Tree Rack

“Neo” in ancient Greek is “Young”. Neo Series is designed with strong oval tube streamline construction to bring out the impression of “Young”. Neo series not only aims to provide “Young” impression to the users but also aims to deliver “Young” and “Strong” outcomes to every users. NTR2 has unique “Chinese Ancient Ting” concept in its design to provide users a safe and stable storage of more plates to keep the floor clean. Equipped with four tube devices that can rotate, swivel and turn 360 degrees in any direction, it provide users more flexibility in the movements of weight training. Get started your free weight with Steelflex® NTR2 and experience a new concept of weight tree storage.
